

Dear Friends and Supporters,

I am incredibly grateful to share the progress made by Habitat for Humanity of the Eastern Bighorns this past year. With your generosity, we provided safe and affordable housing to **two deserving families**, witnessing their smiles and newfound hope as they moved into their new homes. Your contributions have not only transformed individual lives but have also woven a stronger and increasingly compassionate fabric within our community.

As we stride into 2024, our ambition knows no bounds. We are expanding our reach to place **five additional families** into stable housing over the next eight months. This means five more families will be provided not just shelter but a nurturing environment where children can thrive. Additionally, we are excited to soon welcome **six new partner families** into our homeownership program. With your continued support, we will empower these families to achieve the dream of homeownership, and **this holiday season, you can double your impact!** A generous contribution from the Standish Family Fund and First Interstate Bank will match your gift, dollar for dollar, up to \$105,000.

This transformative journey is only possible because of you. Your dedication reverberates through the lives you touch and the community you uplift. On behalf of every family who has found a home and those who will, I extend my heartfelt gratitude.

With warmest regards,

Christine Dieterich

Executive Director | Habitat for Humanity of the Eastern Bighorns

Double Your Impact

Your gift will be matched dollar for dollar up to \$105,000, thanks to our incredible partners:

- Standish Family Fund - \$50,000
- First Interstate Bank - \$2,500

"My experience as a volunteer and donor was incredibly rewarding! Having a career in the home building industry, I was looking for a way to give back to our community that both served my passion for home building and helped to provide affordable homeownership for a member of our Sheridan community. In Yarak Construction and those connected created a powerful group of 10 women to join in this year's Women's Build. We were fortunate enough to meet the future homeowner during construction, and his enthusiasm and gratitude were contagious! Sheridan's Habitat for Humanity offers numerous volunteer and donor opportunities for everyone to get involved. I am looking forward to serving again."
